

## Welcome to Tennis Net

Following the success of last year's trial, Norfolk Mutual WiFi and Rural Computing Ltd are pleased to announce that the Tennis Tournament will again have internet access, via WiFi. We will be using a satellite so that results and other important information can be instantly uploaded on to the internet.

Throughout the Tennis Week you will also be able to connect to the internet with a stronger and faster connection than provided by 3G.

Why not keep in touch with the competition results and your friends and family with the Tournament WiFi Network? You can access this on your phone or laptop.

### Pre Booked

The cheapest option is to pre book.

	Download Limit	Max Speed	
	MB	Mb/s	
Week Gold Service	2048	2	£15.00
Week Basic	500	1	£10.00

If the download limit is exceeded then the connection will be automatically terminated.
